

# ISO 14001: Environmental Systems Handbook

From SEBoK

ISO 14001: Environmental Systems Handbook

Whitelaw, K. 2004. *ISO 14001: Environmental Systems Handbook*, 2nd ed. Oxford, UK: Elsevier.

## Usage

This source is considered a primary reference for the Environmental Engineering article.

## Annotation

It is important to note that this source is a commentary on the ISO 14001 standard; it is not a reference to the standard itself. To view the table of contents and introduction to this work, see the ScienceDirect website.
