Wymore, A.W. 1993. *Model-Based Systems Engineering*. Boca Raton, FL, USA: CRC Press, Inc.

Usage

This source is considered a primary reference for the following articles:

- Types of Models
- Representing Systems with Models

Annotation

This book provides foundational material for the subject of MBSE and a theory for modeling. It provides a key reference for future work in developing theories and formalisms on this topic. It is widely referenced among the systems modeling community.

SEBoK v. 2.9, released 20 November 2023
