

System of Systems Engineering - New Challenges for the 21st Century

From SEBoK

System of Systems Engineering - New Challenges for the 21st Century

Jamshidi, M. 2008. "System of Systems Engineering - New Challenges for the 21st Century." *IEEE Aerospace and Electronic Systems Magazine*. 23(5) (May 2008): 4-19.

Usage

This source is considered a primary reference for the Groupings of Systems article.

Annotation

This article is from one of the leading experts in systems of systems engineering. It provides a good overview of the state of the art in engineering SoS and the challenges that need to be addressed.

SEBoK v. 2.3, released 30 October 2020
