

Template:Star

From SEBoK

Template:Star

This template creates a star menu inside a light-box.

Example usage:

```
⌈-----⌋  
|{{Star|{{#linktree:3|A|B|C}}}}|  
⌋-----⌋
```

Where "3" is the number of levels the link-tree should display to, and "A", "B" and "C" are titles that should be excluded.
